## *Imagine the possibilities.*

Wenger Stage Boxes will surprise you - in fact, they might just change the way you arrange your room for dramatic play or musical and theatrical activities. Made of tough polyethylene, molded one piece construction these stage boxes won't come apart or splinter, yet they're lightweight, with built-in handles for gripping. Wenger Stage Boxes are available in multiple sizes that lock together with a revolutionary patented connector that you simply push and thread, no tools required. This makes it easy to adapt to activities in Elementary and Early Childhood classrooms. When you are done with them for the day, Wenger Stage Boxes stack compactly together and store in a small space. And, when combined with Wenger flipFORMS, Wenger Stage Boxes will expand your options for activities.

Stage Boxes from Wenger - a great way to add fun and creativity to your curriculum that's so important for early childhood development.
