

ROUGHNECK

A solid performance should never be spoiled by a shaky stand.

Because you've spent hours practicing, at Wenger we believe a solid performance should never be spoiled by a shaky stand. So we build solid, sturdy stands that won't shake, wobble, tilt or slip.

Only Wenger Music Stands have a solid welded base that won't lean or loosen. Wenger's improved height-adjustment mechanism allows smooth, easy adjusting action and then holds tight! Only Wenger secures the desk to the pedestal with a double-bracketed T-joint to assure a firm angle adjustment. And Wenger guarantees their music stands for a full three years.

So don't put up with music stands that keep letting you down. Insist on RoughNeck, and get a superior performance every time.

ROUGHNECK

The RoughNeck desk is made of tough 22-gauge steel. Finished rolled steel edges reinforce the desk to withstand bending, are less likely to nick precious instruments, or snag clothing. The desk will accommodate full-sized scores amply.

The base and tube are also made of steel for durability. There are no screws or bolts to work loose, eliminating any wobbling or leaning.

The finish of the desk, base and tube is an extra-durable, textured, black powder-coat, which looks fresh far longer than metal enamels.

The improved height adjuster lets you adjust the height easily. Wenger's slide mechanism goes up easily and stays up, even when the stand is full of music.

Double-anchor brackets provide two secure connections between the desk and the slide tube, so the desk won't work loose and pull off when adjusting the height. Nylon sleeves between the brackets and T-bar provide smooth, quiet desk angle adjustments.

RoughNeck Music Stand Accessories

Music Stand Light: Clips securely onto the Wenger RoughNeck or other music stands. Light is directed only to music or score for easier reading without glare. Finish is matching textured black powder-coat. Ample 6' cord and 40-watt bulb included.

Pencil Clip:
A Wenger exclusive.
Holds two pencils.

Move & Store Cart: Holds 24 RoughNeck stands for easy transporting and compact storage. This cart works as well with other music stands. Constructed of sturdy zinc-plated steel tubing. Swivel casters make it a breeze to roll the cart across most floor surfaces. Shipped partially assembled.

ROUGHNECK MUSIC STAND SPECIFICATIONS:

- 22-gauge steel desk with rolled edges.
