

STUDENT CHAIR

The most helpful music chair in history.

The classic Wenger Student Chair has helped support correct posture in more music education facilities than any other chair. Like every Wenger Posture Chair, our Student Chair model puts musicians in the ideal performing position, all the while reducing discomfort so students can focus on technique.

Durable and good-looking, Wenger Student Chairs also bring a polished, uniform appearance to your program, especially when matched with color-coordinated Bravo Music Stands.

STUDENT CHAIR

Wenger's patented Posture Chair design duplicates the benefits of standing posture in a seated position.

The problem with common chairs.

In a standing position, your rib cage is expanded for maximum breath intake. Your diaphragm is unconstricted for greater breath support. Your hips are rotated forward, allowing your back to follow its natural, supportive lumbar curve. The result is the ideal posture for singing or playing an instrument.

But sit in any nonposture chair and your body's immediate reaction is to slouch. When you sit back your spine is forced out of its natural supportive position. This forces your body down, lowering your rib cage and constricting your diaphragm. To compensate for this discomfort and lack of support, you move to the edge of the seat. You'll continue this cycle as long as you're seated, bringing on rapid fatigue and making it difficult to focus on technique.

The Wenger Solution: Posture Chairs

Sit in a Wenger Student Chair, one of five exclusive Posture Chair models, and you immediately notice how the chair's contours help duplicate the body's natural standing position. Your hips are slightly forward, putting your spine in its strongest, most naturally comfortable position. Your rib cage is raised as though you were standing, giving your diaphragm unobstructed movement. Your body is held firm, but comfortable. It's difficult to slouch and easy to concentrate on mechanics and performance.

Student Chair frame finishes

Student Chairs are available in three classic frame finishes: Grey, Black and Chrome.

STUDENT CHAIR SPECIFICATIONS:

- Patented Posture Chair design.
- Extra-strong, 16-gauge square tube framing for durability and longer life.
- Wear-resistant polypropylene seat and back promote even weight distribution, greater comfort and a lasting appearance.
- Large seat and back give musicians proper support and wider range of movement.
- Nylon bumpers protect chairs when stacked.
- Three height choices — 16", 17½" or 18½" — support a wide range of students.
Note: Seat heights are measured from front of seat to floor.
- Popular finish colors let you coordinate with any color scheme.
- Colors also match Wenger Bravo Music Stands and other Wenger products.
- Choice of three frame finishes: Grey, Black or Chrome.
- Choice of five seat and back colors: Oatmeal, Wedgewood, Oyster, Raspberry, and Black.
- Color samples available upon request.
